

Vision & Mission

With a vision to be a Visible and Credible Partner in the Process Industry, ASPRI strives to Connect, Engage and Grow.

ASPRI collaborates closely with various stakeholders in the Process Industry; government and statutory boards, plant owners, Institutes of Higher Learning (IHLs) and affiliated Trade Associations and Chambers (TACs) to connect, engage and propel the industry's growth by fostering a strong tripartite Public – Private Partnership.

Established in 1997, The Association of Process Industry (ASPRI) is a non-profit trade association that represents the interests and advancement of more than **650** Process Construction & Maintenance member companies in Singapore.

These companies are mainly Engineering Service Providers (ESPs) that supply a myriad of engineering services to support Singapore's Process Industry, covering 4 key clusters: Petroleum, Petrochemical, Specialty Chemical and Pharmaceutical.

ASPRI Strategic Pillars

- Internationalisation**
Promoting global outreach and collaboration, facilitating partnerships and market expansion opportunities for our members in the Process Industry.
- Sustainability**
Committing to sustainable practices within the Process Industry, driving innovation in environmental stewardship and resource efficiency.
- Digitalisation**
Promoting Process Industry's adoption of Digitalisation, Innovation And Technology to enhance productivity & competitiveness.
- Advocacy**
Fostering policy evolution to ensure global competitiveness, enhance productivity, sustain business practices and address emerging challenges for the Process Industry.
- Training**
Providing comprehensive training programs to develop a skilled Process workforce, ensuring industry relevance & competence through continuous learning and initiatives.

**Key Benefits**

Networking Opportunities
Join our activities to connect with potential business partners and key industry players.

Industry Representation
Have your concerns addressed and get the latest regulatory updates.

Knowledge Transfer
Upgrade yourself with seminars and workshops hosted by ASPRI in partnership with various industry stakeholders.

Training
Enjoy members preferential rates on top of heavily subsidised training when sending your workers to our Integrated Training Center.

A Division of ASPRI

ASPRI-IPI is a training division of ASPRI.

Vision & Mission

A Safer and more Productive Workforce for the Process Industry.

To deliver quality training to improve the livelihoods of the PCM workforce.

ASPRI-IPI aims to enhance the operating standards and employability of the workforce in the Process Industry through various skills upgrading initiatives.

LIVE

First Integrated Purpose-Built Workers Accommodation

- 7,900 Bed Spaces
- Strategically located within 3.5km of Jurong Island

Onsite Social & Recreational Facilities

PLAY

AITC has a multitude of recreational facilities for workers to relax and enjoy. We also offer events and get-to-gather sessions for workers to forge deeper bonds.

ASPRI Integrated Training Centre (AITC) "Built By The Industry, For The Industry."

LEARN

Premier 40,000sqft Training Centre for a Safer and more Productive Workforce for the Process Industry:

Bridging the gap between:

- Theory – National and International Accredited Courses
- Practical – Real-world simulated environment 4-in-1 skid based on authentic decommissioned plant parts
- Leveraging on technology through IPI eConnect and AR Welding

As of 2024, AITC has:

- Successfully delivered over **1.3 million** training hours to more than **218,000** training headcounts
- IPI eConnect has provided over **105,000** training opportunities with over **210,000** e-learning hours
