

<b>Course Title</b>	<b>Certificate of Competence in Metal Scaffolding - Level 1</b>
<b>Course Code</b>	<b>CMS1R</b>
<b>Course Objectives</b>	On completion of the course, participants should be able to select, plan, erect, and dismantle tubular metal scaffold to provide access and working platform for the repair, conversion and construction of structures in accordance with drawings and specifications.
<b>Course Description</b>	<p>Participants will learn to:</p> <ul style="list-style-type: none"> <li>• Maintain safe working environment</li> <li>• Maintain hand tools, equipment and scaffolding materials</li> <li>• Stack scaffolding materials</li> <li>• Determine types of scaffolding system</li> <li>• Prepare scaffolding materials</li> <li>• Plan scaffold erection</li> <li>• Fix rigid base plate to standards</li> <li>• Erect scaffold structure</li> <li>• Brace scaffolds</li> <li>• Fix and secure ladders</li> <li>• Fix and secure work platform</li> <li>• Fix and secure toe boards and guard rails</li> <li>• Dismantle scaffold</li> </ul>
<b>Course structure</b>	<p>Course Duration: 1 day (7 hours) comprising of 1 hour Theory + 1 hour Practical + 5 hours test.</p> <p>Venue: Workplace Training Centre.</p>
<b>Minimum Entry Requirement</b>	<p>Participants must Possess:</p> <ul style="list-style-type: none"> <li>• WSQ Perform Metal Scaffolding Work; or</li> <li>• WSQ Perform Metal Scaffold Erection (PMSE) from ATPs.</li> </ul>
<b>Remarks</b>	<p><u>Company Sponsorship</u>  For <b>company sponsorship</b>, please refer to this <a href="#">guide</a> on how companies can be onboarded to STEP.</p> <p>The company's training coordinator will need to login to <a href="#">STEP Company Portal</a>, then log in with Corppass.</p> <p>The company coordinator will:</p> <ol style="list-style-type: none"> <li>1. Source for the required course.</li> <li>2. Generate a course application link.</li> <li>3. Email link to sponsored employees and inform them to self-register through the link.</li> <li>4. Approve applicants to be sponsored (after employees register).</li> </ol> <p>Please refer to a <a href="#">step-by-step guide</a> to administer and manage employees' courses and learning needs on STEP.</p>

<b>Course Title</b>	<b>Certificate of Competency in Metal Scaffolding - Level 2</b>
<b>Course Code</b>	<b>CMS2N</b>
<b>Course Objectives</b>	On completion of the course, participants should be able to select, plan, erect, maintain and dismantle complex tubular metal scaffold to provide access and working platform for the repair, conversion and construction of structures in accordance with drawings and specifications.
<b>Course Description</b>	<p>Participants will learn to:</p> <ul style="list-style-type: none"> <li>• Maintain safe working environment</li> <li>• Maintain hand tools, equipment and scaffolding materials</li> <li>• Stack scaffolding materials</li> <li>• Determine types of scaffolding system</li> <li>• Prepare scaffolding materials</li> <li>• Plan scaffold erection</li> <li>• Fix rigid base plate to standards</li> <li>• Erect scaffold structure</li> <li>• Brace scaffolds</li> <li>• Fix and secure ladders</li> <li>• Fix and secure work platform</li> <li>• Fix and secure toe boards and guard rails</li> <li>• Erect special scaffolds</li> <li>• Dismantle special scaffold</li> </ul>
<b>Course structure</b>	<p>Course Duration: 3 days (21 hours) comprising of 4 hours Theory + 10 hours Practical + 7 hours test.</p> <p>Venue: Workplace Training Centre.</p>
<b>Minimum Entry Requirement</b>	<p>Participants must possess:</p> <ul style="list-style-type: none"> <li>• WSQ Perform Metal Scaffolding Work; or</li> <li>• ITE CoC in Metal Scaffolding- Level 1.</li> </ul>
<b>Remarks</b>	<p><u>Company Sponsorship</u></p> <p>For <b>company sponsorship</b>, please refer to this <a href="#">guide</a> on how companies can be onboarded to STEP.</p> <p>The company's training coordinator will need to login to <a href="#">STEP Company Portal</a>, then log in with Corppass.</p> <p>The company coordinator will:</p> <ol style="list-style-type: none"> <li>1.
